Introducing
AN OPTION FOR WOMEN TO TAKE CONTROL

The FC2 Female Condom® is indicated for preventing pregnancy, HIV/AIDS, and other sexually transmitted infections (STIs)

FC2 is covered with $0 co-pay by most insurance plans when prescribed by a physician

12 PACK NOW AVAILABLE BY PRESCRIPTION

The only FDA approved for market Class III Medical Device designed for women.

- FC2 provides dual protection against STIs and unintended pregnancy.
- FC2 is made of nitrile and latex-free. Nitrile is thin and strong (3x stronger than latex), and warms to body temperature.
- FC2 is lubricated inside and out with a silicone based lubricant.
- FC2 does not contain spermicidal additives, preservatives, paraben, and is gluten-free.
